## China TDI Market Keeps Soaring with No Downtrend in Short Term

2016-10-17

PUdaily, Shanghai-According to PUdaily, China TDI market keeps soaring more fiercely after the National Day holiday, up by RMB 22,500-25,000/ton to RMB 51,000-55,000/ton from Oct. 8 to 14 amid Covestro Germany declaring force majeure during the holiday, although many market participants hold bearish views towards the outlook after September because the market has been striding forward significantly for a very long time since late July...[More](#)
