**India Demonetization Puts MDI Market under Pressure?**

2016-12-09

PUDaily, Shanghai-It is reported that India MDI market maintains stability at present with the polymeric MDI ex-tank price heard to be at about USD 1,800-1,900/ton (CIF, similarly hereinafter) for December shipment, similar to that of November, the higher end price for Japan and Korea origin sources while the lower end price for China sources. Based on the market trends in recent month, the local MDI market has not been heavily affected by the demonitization, unlike the TDI market, and there are three reasons as following as per PUDaily...[More](#)
